Your membership dues are needed to ensure that we are able to conserve our resources, maintain property values, monitor water issues in our watershed, and deliver a newsletter to each and every property owner in the Blucher Creek Watershed.

"We" are a handful of volunteers committed to protecting our watershed. If you are able, we also invite you to join us in person and meet your neighbors, have fun and learn about our unique microcosm of Sonoma County. Join our well monitoring program. Come to our educational meetings. Sign up for our email list to stay informed. Check our website for updates ~ www.bluchercreek.org. And consider giving your financial support—join the organization that is working on your behalf. Complete and return the membership form below.
